

 A really lovely Spanish style 4 bedroom spacious villa. Single garage. There is ample parking space. A good sized entrance hall leads into 2 large reception rooms, one with dining area. Separate kitchen with adjoining utility storage room. The property is very bright with many windows (some are new) and a large terrace from the lounge. Views towards the sea and mountains. On the same floor, there are 2 double bedrooms and a bathroom. On the lower ground floor there is another 2 double bedrooms with built in wardrobes, both have en-suite bathrooms with heated floors. Outdoor there is a large swimming pool with its own shower and WC. Well kept garden. Adjoined to the house is a covered BBQ kitchen/dining area if you want to hold a good party. The roof has been completely renewed. There is also new drainage installed around the house. The property has been refreshed with a good lick of paint overall. It is possible to take over the loan of this property at a very low rate. This is a fantastic family property situated in a quiet residential area. A few minutes drive to Alfaz, the Norwegian school and the beach of Albir. Must be viewed to appreciate.
